Chicago, Illinois

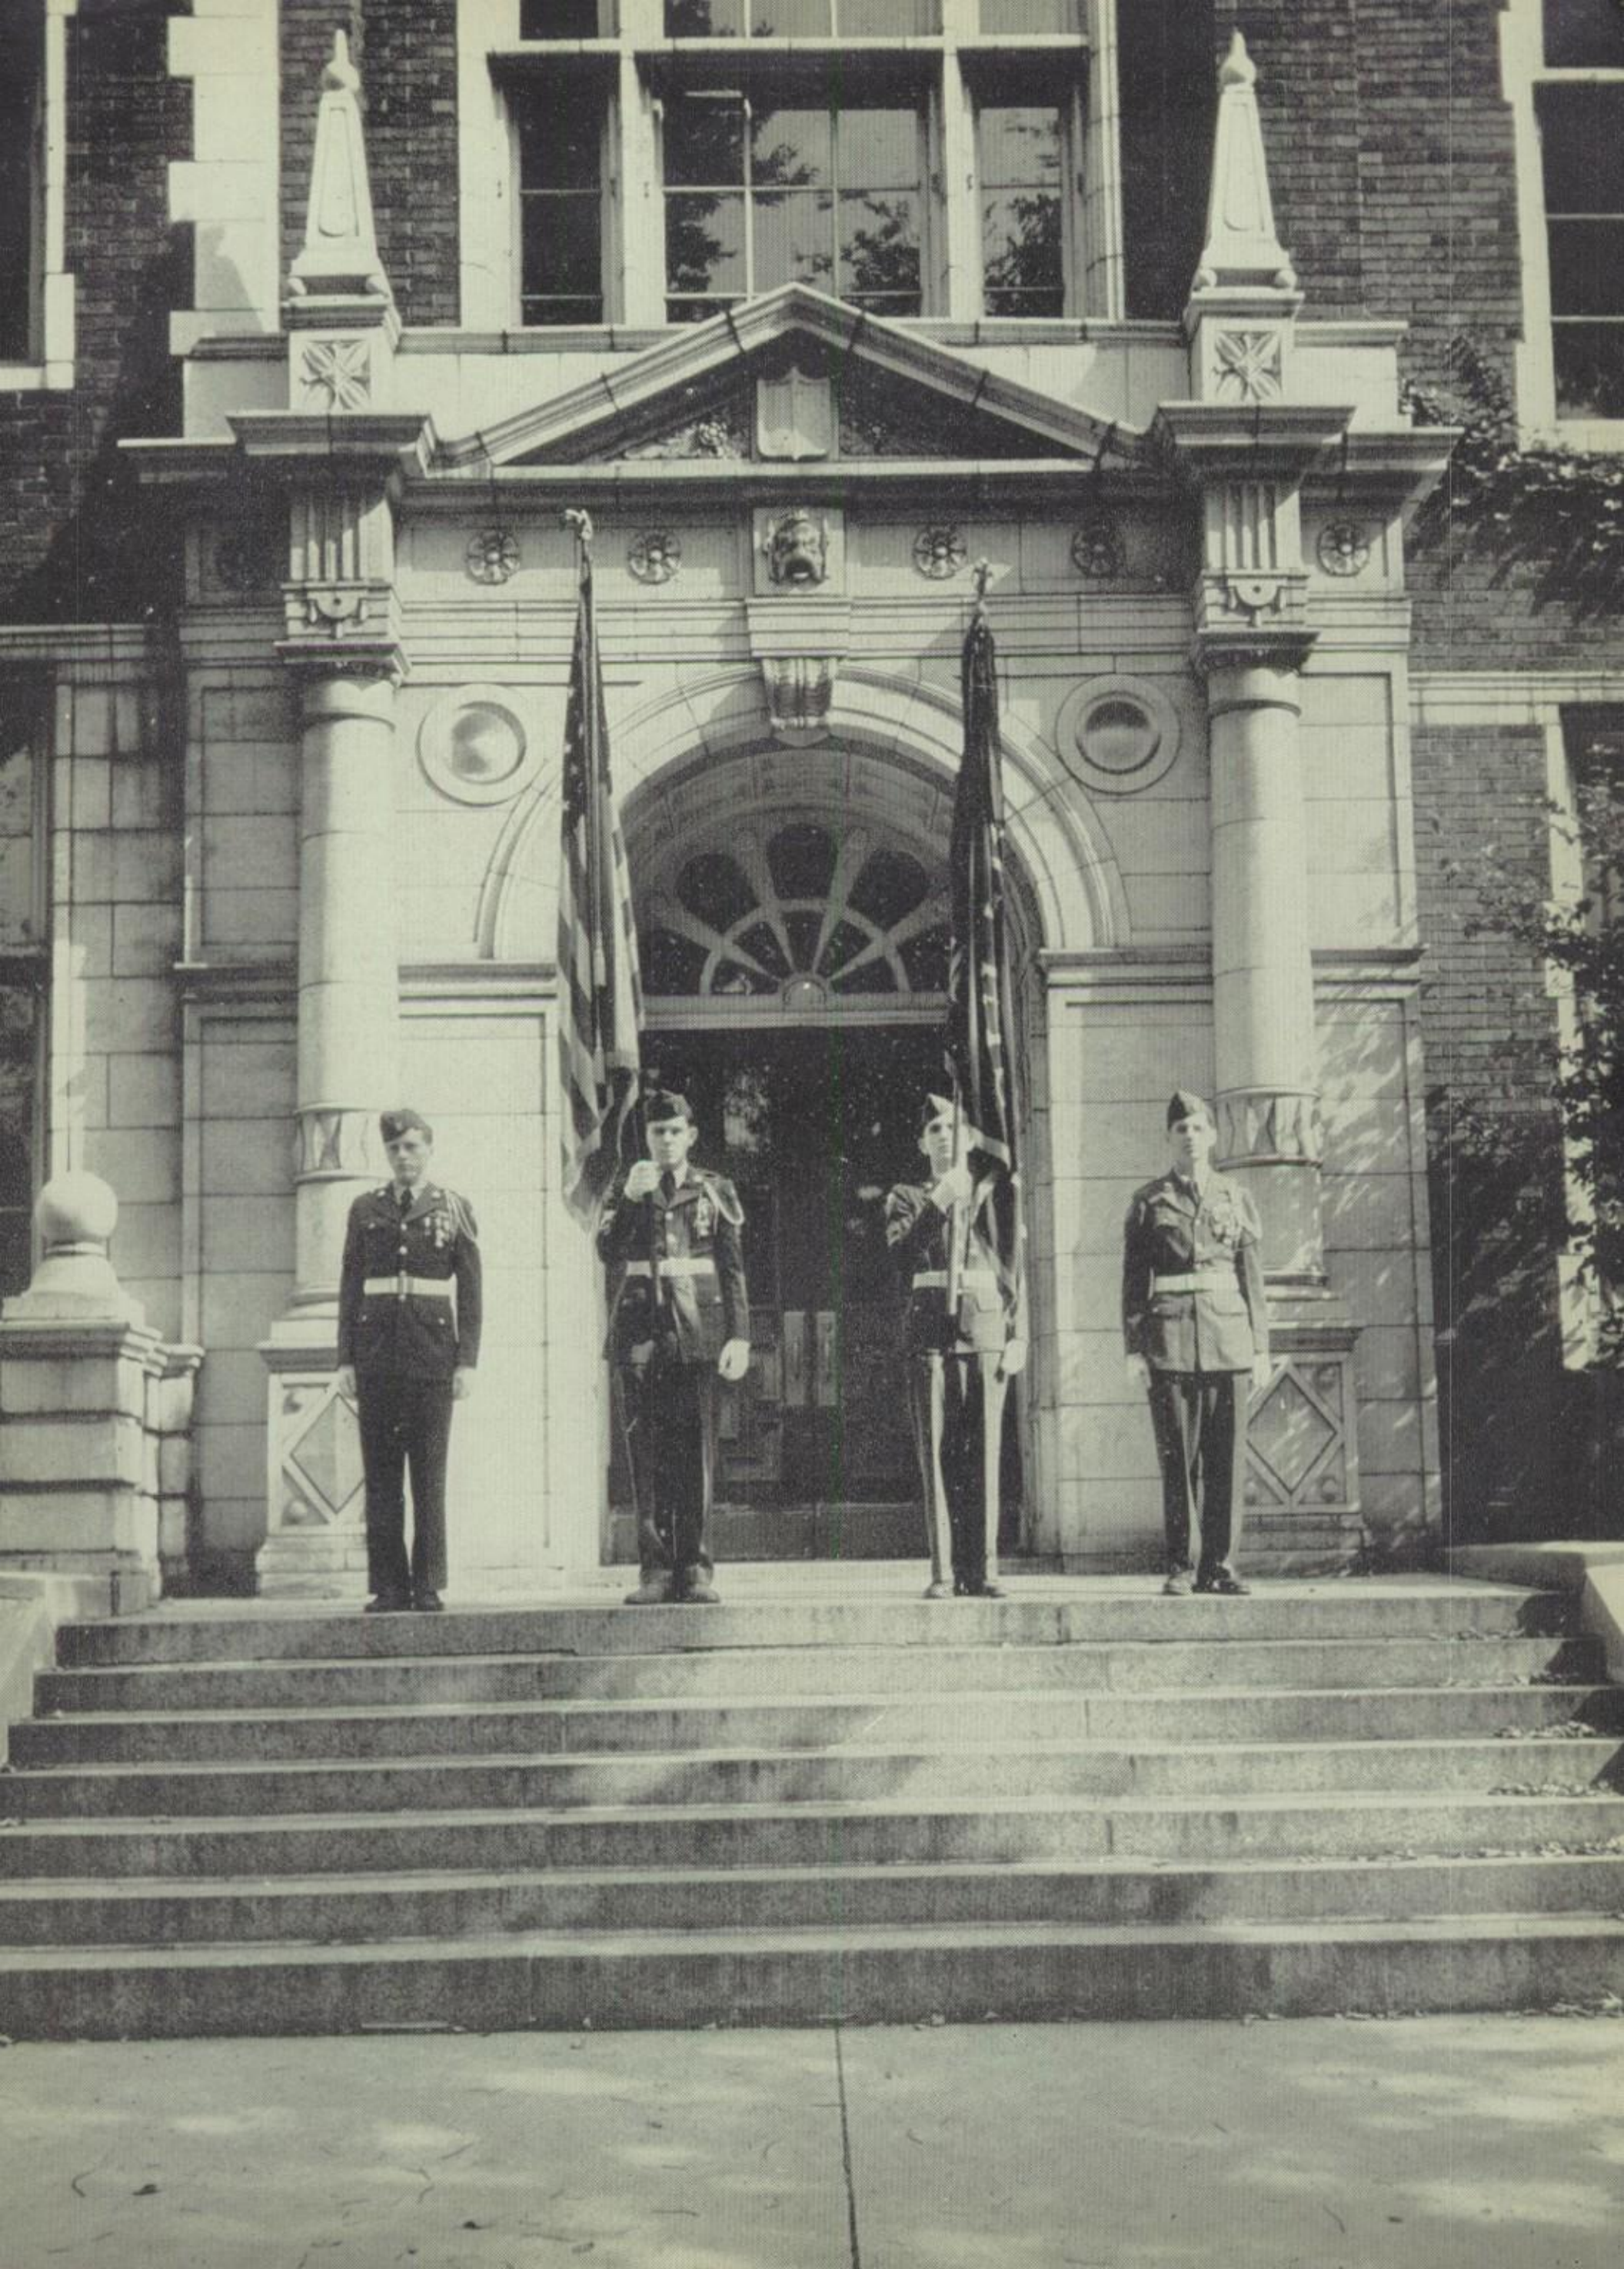

Education makes a people easy to lead, but difficult to drive;
easy to govern, but impossible to enslave.

—*Henry Broughman*

But it was in making education not only common to all, but in
some sense compulsory on all, that the destiny of the free republics
of America was practically settled.

—*James Russell Lowell*

DEDICATION

To Mr. George E. Anspaugh, our principal, we, the Senior Class, in tribute to his untiring efforts to make ours a better school, scholastically and culturally; in recognition of his unfailing confidence in us as individuals; and in gratitude for instilling in us the ideals of true American citizenship, respectfully dedicate . . .

The NAVILLUS Nineteen Fifty Two

Mr. Anspaugh, who has been our able leader for the past ten years, will leave us in June. He has won the love and respect of the faculty and the students. His dignity, friendliness, and gentle manner have been an inspiration to all.

But fate ordains that
dearest friends must
part.

—Edward Young

Thou wert my guide,
philosopher, and
friend.

—Alexander Pope

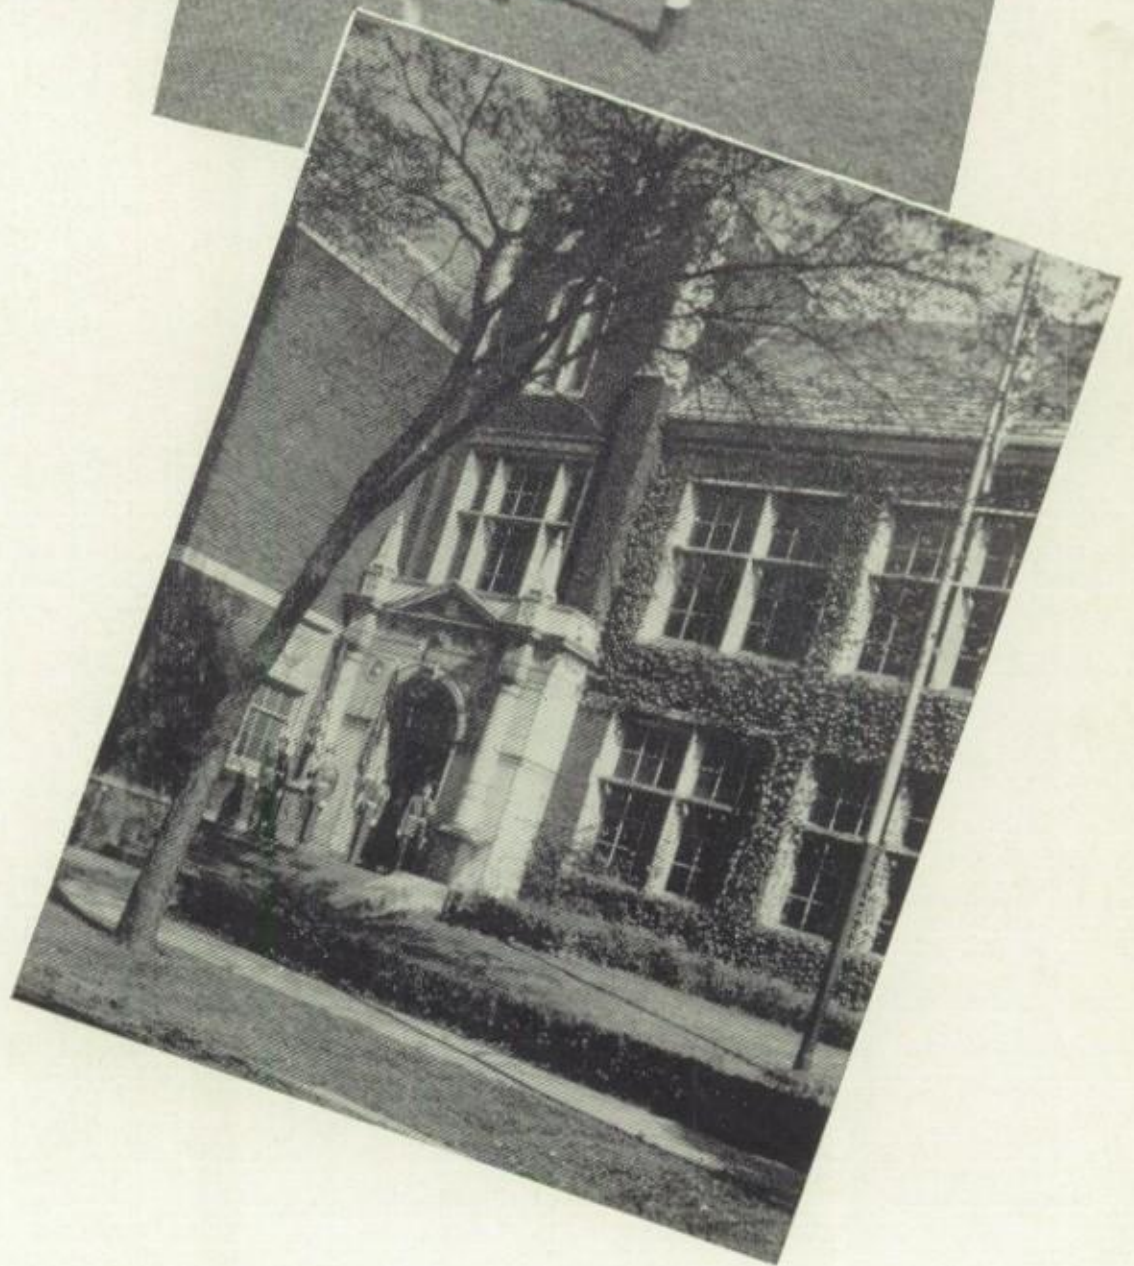

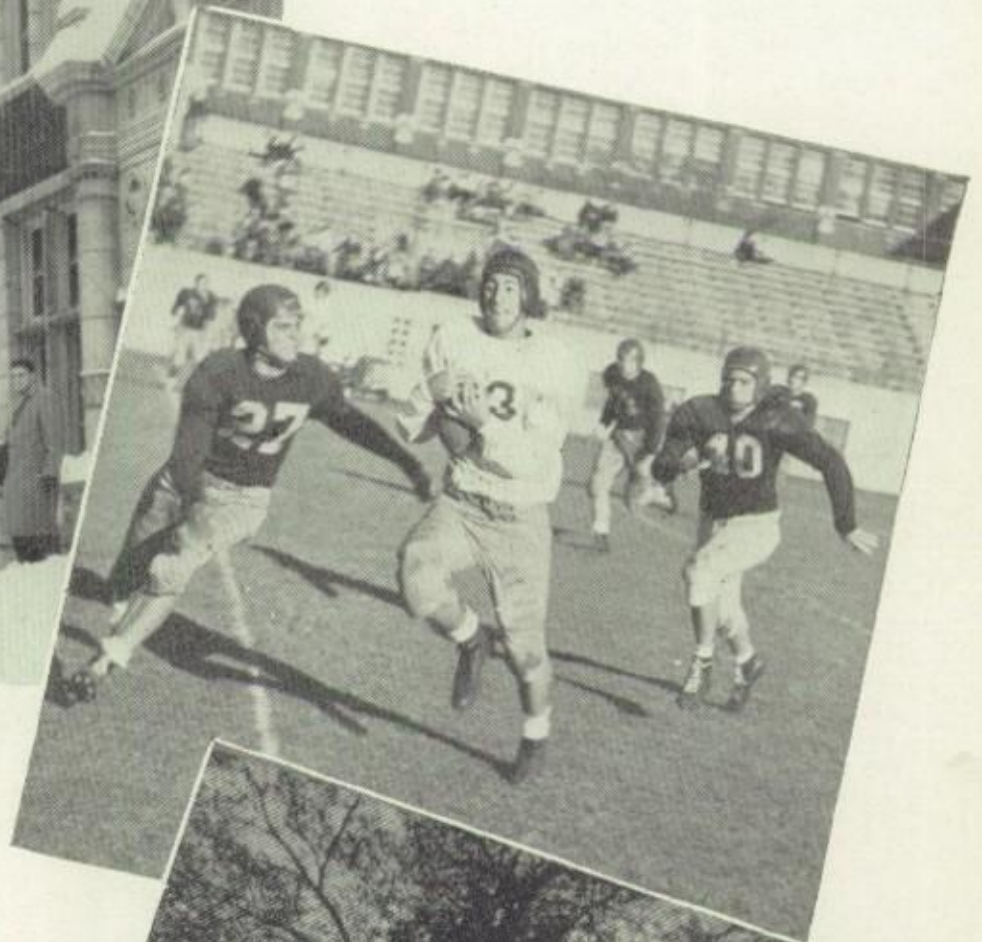

His magic was [not far to
seek,—
He was so human!

—James Russell Lowell

"Zealous, yet modest; patient of toil; serene amidst alarm . . ."

Her charming manner and radiant smile win many a friend for our assistant principal, Miss Helen Powers, who is ever-occupied, yet never too busy to lend a helping hand.

Our school, one of the most beautiful buildings in the city, takes on an added beauty with each change of season.

ADMINIS

The placement counselor, Mrs. Doris Schabes, interviews pupils about college intentions, job offers, and the Armed Services. Numerous transcripts are sent out from her busy office. She also finds time to sponsor the NAVILLUS.

The attendance office can be a serious place, but at times it bubbles over with the smiles of Mrs. Marguerite Fieser. Here, efficiency plus experience mark a well-organized department.

Miss Josephine Sager, adjustment teacher, assists students in selecting classes which are suited to their individual abilities and talents. She is in charge of personnel records and is also the 1B sponsor. Many real and "imaginary" troubles disappear because of her kindness and understanding.

Mrs. Anne Heisler, psychologist, visits the office on Friday for special conferences.

It is not surprising that Sullivan has the lowest number of absences recorded by high schools throughout Chicago. This is due to the prompt attention and accurate records of Miss Marguerite O'Connell, our attendance counselor.

TRATION

Miss Helen Hanson, Senior sponsor, can frequently be found in her office during the ninth period, surrounded by committee members planning a luncheon, tea, or party. With her guidance, success for the activity is assured.

Red pencils, blue ink! Check and re-check! Numbers, classes, cards! Re-adjust one, drop another, and add a third! Such is the busy life of our registrar, Miss Margaret Colford, who can truthfully say, "Never a dull moment!" She plans and sponsors the registration each semester and is always ready to give advice on program planning.

Sullivan's head clerk, Mrs. Mary Doud, has numerous duties which she performs with efficiency and grace. She answers many questions concerning the school, and takes care of the correspondence, phone calls, and bulletins.

Miss Eileen Gleason is our school treasurer. The funds of school organizations are in her keeping. Accuracy and dependability are as characteristic of her as a pleasant smile.

The Practical Arts Department is represented by Miss Carpenter, Mr. Rogers, Mr. Davidson, and Mrs. Ross.

Sergeants Gunderson and Flanders prepare for a lecture before the R.O.T.C.

Students enjoy the school library under the direction of Miss Kelly.

Fine Arts are the work of Miss Humphreys, Miss Ford, Miss Sheel and Mrs. Ballen.

Mr. Youmans leads a Science Department discussion with Mrs. Dorman, Mrs. Hay, Mr. McCracken, Miss H. O'Brien, Miss Carpenter, and Mrs. Huck.

Civics and History are the chief interests of Mrs. Nickel, Mrs. Gregg, Miss Moloney, Mr. Drobney, and Miss Colford.

Mr. Nickolas Downs, engineering custodian, will solve your problem.

Miss K. O'Brien, Miss Mitchell, and Miss McBryde, plan the various activities of the girls' gym department.

Miss Kovitz (seated), Mrs. Spooner, Mrs. Kustner, Mrs. Walser, and Mrs. Huck of the commercial department consider plans for students who will fill important places in the business world.

Miss McIlvain, sponsor of the school store, with two assistants, takes inventory.

Mathematics presents no problem to Miss Hart, Mrs. Feiser, and Miss Hanson

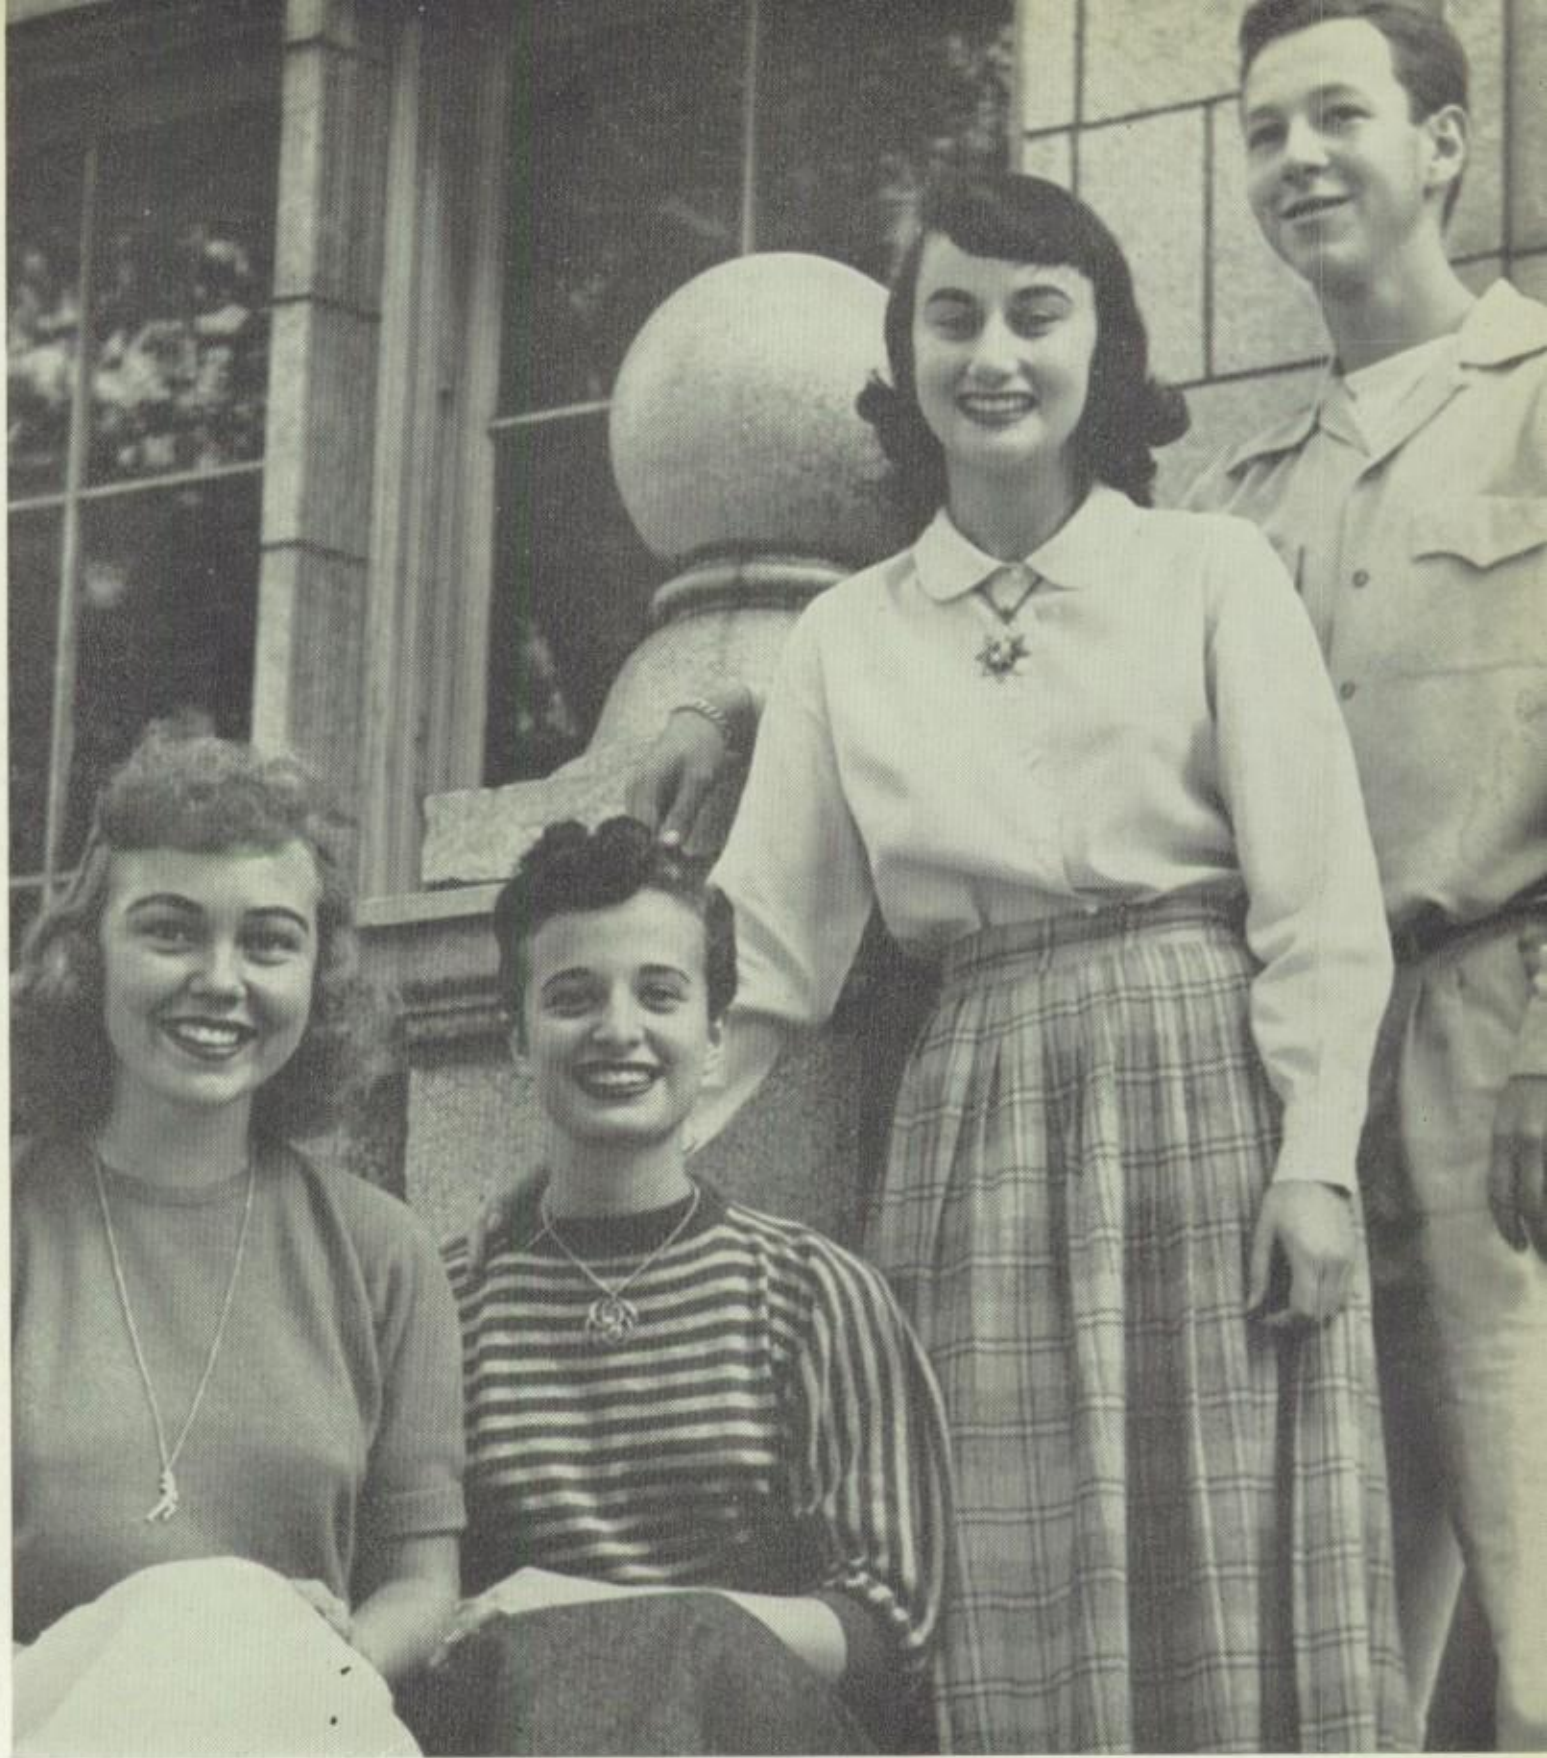

Mr. Fralick, Mr. Nemkoff, and Mr. Margolis of the boys' gym department smile as they think of their victories past and of those to come.

All eyes focus on Mr. Pannitch as he, with the rest of the English department, Mrs. Murtaugh, Miss Leonard, Miss Murphy, Mrs. Mueller, Miss Kovitz, Mrs. Moody and Miss Stanton, consider next semester's calendar.

Mr. Croghan offers a suggestion for the language department to Mrs. Moody, Mrs. Wolff, Miss Kovitz, and Mrs. Sorenson, his co-workers.

The colorful events of our high school years now come to a close. We stand in salute to our Country's flag. We are about to receive the cherished diploma—climax of our four years of school work, symbol of success, and "key to the future."

The class officers of the January class are: (left to right) Jean Kettering, vice-president; Jeannie Ascher, treasurer; Sandra Faberson, secretary; and James Pinski, president.

JANUARY GRADUATES

The January class officers were assisted by a very active group of committee chairmen. Miss Hansen, senior sponsor, aided in plans for the year-end events, and Mrs. Moody guided her players through a successful production.

"Freshie", first stage in the metamorphosis of a high school student! To the sophomore he is one of the lowest forms of matter to inhabit the earth; to the junior, a gullible little fellow who is always in need of something the third year wizard has to offer; but to the senior he represents the only means of preservation of the standards which for four years have been worked for and achieved: He is the football star who will hold the key to Sullivan's next victory. He is the President of Student Council. He is the valedictorian of four years hence who will bring his alma mater scholastic recognition. We are dependent on you "Freshie", don't let us down.

STUDENT

It is nobleness to serve.

—Ralph Waldo Emerson

A great majority of Sullivan students serve the school by participating in at least one of the many service groups which are active each semester.

SERVICE

The Projection Crew, the Socialization Committee, The Rangers, the Mimeo Service, the Safety Unit, the Hall Guards, the Servettes, the Navillus groups, and all students who are serving in other capacities are giving evidence of the co-operation which makes a fine school.

STUDENT

The student council of Sullivan is carefully guided by Mr. Francis McCracken and his efficient staff. The officers for the June semester are: President, Joe Siegman; Vice-President, Bob Kapsaris; Secretary, Lynn Fromberg; and Treasurer, Carol Aronson. Every Wednesday in Room 221 the division representatives present opinions and suggestions of their classmates and inform the students of the decisions of the council.

The Freshmen Orientation Program, the Casba, and the lunch guards come under the jurisdiction of this elected group. Its efforts are all directed toward the improvement of the school, a better representation of students at school affairs, and a real school spirit among the student body. The meetings of the Council are open to all who are interested.

Sullivan has an unusually fine music department for a school of its size. The orchestra, under the direction of Miss Winifred Sheel, is an attraction on any program. Its success is a result of hard work and the loyalty of its members as well as the ability and spirit of their director. Miss Sheel directs the Symphonic Choir, also.

The Girls' Choir, directed by Miss Ford, is another group of which we are very proud.

The Spring Concert is the "big" program of the year. At this time the orchestra and the two choirs unite in a two-hour presentation of well-known popular and classical music.

Lovely to see and inspiring to hear are the members of the Girls' Choir, who, under the direction of Miss Helen Ford, bring to us the spirit of the Christmas season.

Taut strings and polished brass are always keyed to perfection. At the slight tap of a baton, Sullivan's orchestra is ready to render a classical orchestration or a medley of Dixieland jazz. Under the direction of Miss Sheel, these musicians play an important part in our assemblies.

Follow that story! Get the facts! We have a paper to send to press! Write it up, reporters! Rewrite it, editors! Check it for mistakes, copy readers! Look it over, Miss Kovitz! Get it to the printer, Ranger! Our paper is going to press!

Each member of the staff has his task and each tackles it with zeal. The most "hectic" days in the life of a reporter are those during which the last of the copy is being prepared for the printer. This activity is climaxed by the incomparable SENTINEL meetings where, mid glue and thumb tacks, the paper is assembled.

Sometimes the reporter's life is a glamorous one. There are presidential candidates and movie stars to interview. But the biggest reward to the staff comes when the excitement subsides and another edition of the SENTINEL is created.

THE 1952

Pictures mounted, biographies written, write-ups finished, advertising completed, sales booming—and at last the staff of the NAVILLUS can breathe a sigh of relief!

Mrs. Doris Schabes, general advisor, is happy to see that almost all of her worries for the year are over. Her happiness is shared by Miss Mary Lecond, who is in charge of art, photography and lay-outs, Miss Mary Murphy, former supervisor of sales and advertising, and Mr. Abraham Davidson who has now taken over this job. These people, together with the student staff of the NAVILLUS, have worked hard, fired with ambition, from September to June to produce another fine Sullivan yearbook.

FOOTBALL

"Teamwork" was the password as the 1951 Tiger football squad battled on even terms with all opposition throughout the long but disappointing season. Led by All-State end, Herb Badal, and All-Section quarterback, Bernie Dorfman, the Bengals showed much improvement in every game, reaching their peak when they trounced Roosevelt 33-26. The Cats showed well in every other game, losing to Senn, Lake-View, and Amundsen by but one touchdown. Other outstanding players of the season were Len Simon, Hugh Hicks, and Jack Dee. Great courage was displayed against Amundsen when the Tigers roared back in the fourth quarter to erase a six-point deficit, only to lose it in the final moments of the thrilling contest.

BASKETBALL

Sullivan's basketball teams of 1951-1952 had a successful season. The Juniors advanced to the first round of the playoffs after a winning record of five and four in league competition. Led by veterans Shel Kolber, Len Simon, and Marv Weinstein, with the added help of newcomer, high scoring Jim Remler, the team conquered Senn, Von Steuben, Taft, Roosevelt, and Schurz.

The Seniors fielded a strong team that just missed the playoffs. They were paced by Ed O'Rourke, Sherm Rosen, Griff MacDonald, Dick Wishner, and Joe Siegman.

SWIMMING

This year our Junior swimming team made its finest showing, going undefeated through all its dual meets and placing second in the city. This was due in a large measure to the expert coaching of Mr. Alex Nemkoff and Mr. Maurice Young who devoted much of their time to the group.

Outstanding among the individual swimmers were John Faissler, who won four city races and placed fourth in state competition; Howard Malkin, Senior captain; Larry Abrams who qualified in city; Burt Leader, Junior breast-stroke; and Nathan Serlin, mainstay of the relay teams.

The Senior team did not do as well as was expected because it was small and lacked the necessary depth. But report has it that they aim to come out on top next year.

TENNIS TEAM

LETTERMEN

TOP ROW: Cook, Appel, Faissler, Siegman, Wishner, Ades, Johnson, Loble, Madigan, Wiese. SECOND ROW: Young, Heman, Abrams, Quigley, Goldman, Malkin, Kerr, Hurwitz. THIRD ROW: Hicks, Pincus, Needleman, Fromberg, Campbell, Kolber, Leader. FOURTH ROW: Fromberg, Steinman, Pollan, Ferber, Sabu, Mandel DeWoskin, Coach Margolis. BOTTOM ROW: Zielinski, Simon, Feldman, Dorfman, Badal, Schnable, Hoyle, Dee.

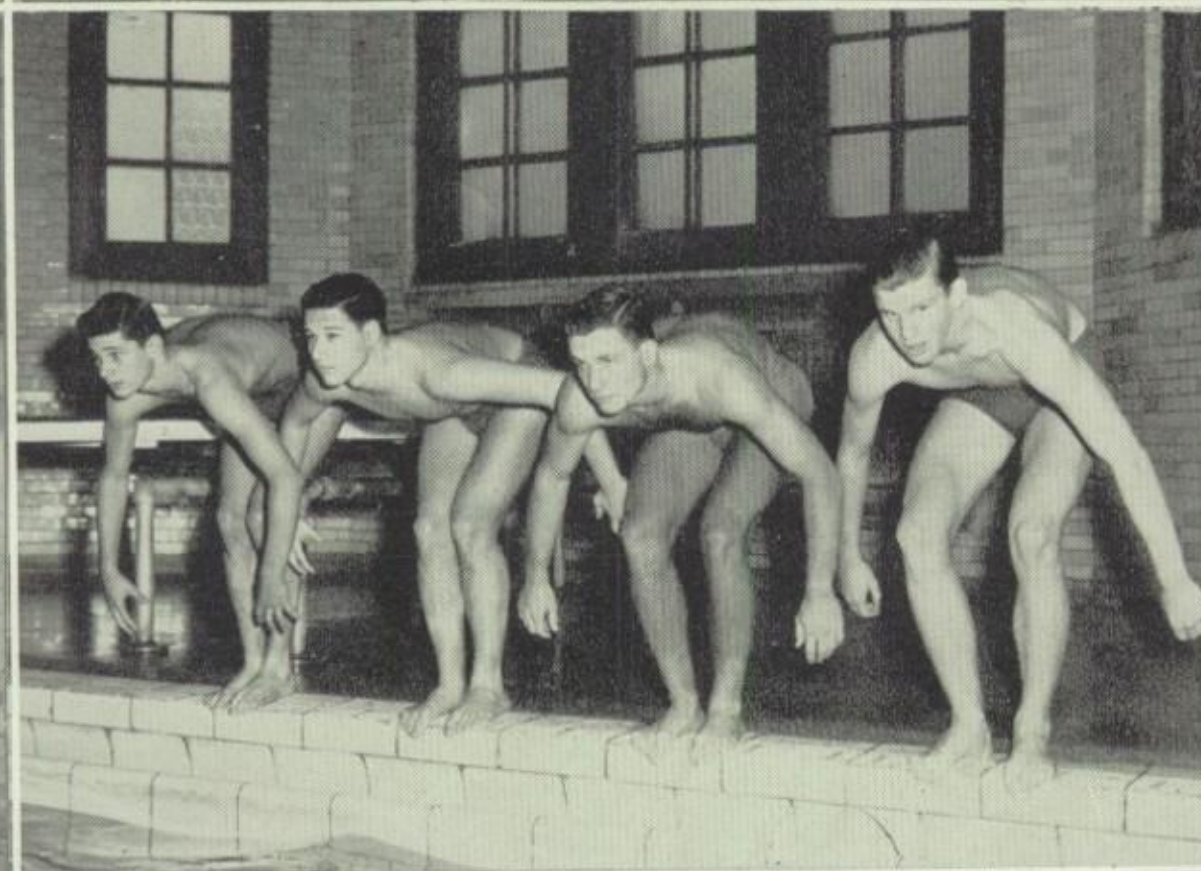

SENIOR SWIMMING TEAM

TOP ROW: Thompson, Malkin, Abrams, Smith. BOTTOM ROW: Mr. Young, Neusel, Schwartz, Hauser, Gold, Young, Bell, Mr. Nemkoff.

As the Sullivan Tennis Team gets into stride this season, the prospects are bright. With the return of five lettermen, Coaches Ralph Margolis and Abe Golden look for another successful season. The record may not equal that of the North section champs of last year. However, the racket men point to a high finish. Playing the number one position, Chuck Horwitz has looked good in early matches. Other players who will see considerable action are Mal Fromberg, number two man; Lynn Fromberg; Joe Needleman; Bob Heman; and John Buchanan. The latter two comprise the doubles team.

At the completion of the 1952 North Section baseball race Sullivan ended in sixth place with a five and nine record. Bill Schmidt, right-handed conqueror of Lane Tech last season, joined with Don Johnson to form the starting battery. Further pitching and catching experience was gained by Bill Quigley, Herb Murowitz, Dave Holleb, and John Bush. Lettermen who did well for Coach Alex Nemkoff were Les Ades, 1B; Joe Siegman, 2B; and Mike Steinman, SS. In future years the Bengals should be high in the baseball race since a sincere effort is being made to develop young players at Loyola Park, recently opened to Sullivan for practice.

GIRLS' GYM

The girls' gym department under the supervision of Miss Florence Mitchell, Miss Margaret McBryde, and Miss Kathryn O'Brien offers a variety of activities to the girls of Sullivan. Healthy minds and healthy bodies are the result of exciting games of basketball, baseball, volleyball, and soccer.

At work nine periods of the day are the gym leaders, who assist in the girls' gym by directing classes, refereeing games, and helping with the office work.

The sparkling formations of the cheerleaders and majorettes promote school spirit at football and basketball games and also at various assemblies.

Yea! Sullivan!

R.O.T.C.

The R.O.T.C. of Sullivan has been in existence for the last seventeen years and has upheld the proud traditions and regulations of the United States Army. During this time they have won honors ranging from first place high school in the yearly Federal Inspection held throughout the U.S. and its territories, to first place rifle team and crack platoon of the city.

Every year Sullivan's cadets make a fine showing on the annual City Staff, having held every position from sergeant to commander of the Chicago High School R.O.T.C.

The object of the Sullivan R.O.T.C. is to awaken in the student a deep appreciation of the obligations of citizenship; to help him to discharge his duties as a citizen; and to qualify him for leadership and responsibility in the world of tomorrow. Dedicated to this purpose are the following instructors: Captain Walter Schiller, who came to us in November, 1951; M/Sgt. Norman Gunderson, who has been at Sullivan since October, 1947; and Sgt. Elrod Flanders, who was assigned to the school in September, 1951.

The Majorettes of '52
Are on the field
And turning Blue,
Then from chattering teeth,
Comes this familiar speech-
"Hut-Hut!"
"Come on and strut!"
The way we freeze and practice,
It really is a sin
But it wouldn't be so awfully bad
If we would only win.
P.S. You're a great team!
